Who The Canon 60D is For As I mentioned at the start of this Canon 60D guide, this camera is really not designed for true beginners. The speed and performance are aimed at photographers who take pictures more often than the occasional family vacation. Access to the camera's functions are also designed with more seasoned SLR users in mind.

If you are anything like me, the last thing you have an interest in doing is reading the often poorly written cameras manual that comes with your new digital camera. It is usually more fun to tear open the camera packaging and dive right into taking some photos and exploring the menu and features of your new camera in a hands-on mode.
