History. Launched on 23 May 1989, the XM was the modern iteration of the Big Citroën, a flagship saloon replacement for the Citroën CX.It went on sale in its native France immediately afterwards, and was available in right-hand drive on the UK market from October 1989.. The XM estate was launched in the spring of 1991, until which time the estate version of the CX remained in production.

### Citroën XM - Wikipedia

The XM was available as either a station wagon or a 5-door hatchback, with this example being the latter of the two. With faded trim and some other minor imperfections, this is a driver-quality example, but chances are those searching for a Citroën XM in the United States aren't too picky.
