Class Matters The New York

And yet social class remains a powerful force in American life. In *Class Matters*, a team of New York Times reporters explores the ways in which class—defined as a combination of income, education, wealth, and occupation—influences destiny in a society that likes to think of itself as a land of opportunity. We meet individuals in Kentucky and Chicago who have used education to lift themselves out of poverty and others in Virginia and Washington whose lack of education holds them back.
