Key Terms •government: the institution through which a society makes and enforces public policies •public policies: all the things a government decides to do •legislative power: the power to make laws •executive power: the power to enforce and administer laws •judicial power: the power to interpret laws

Chapter 1: Principles of Government Section 1

The U.S. Constitution and the Establishment of Government. The U.S. Constitution, as adopted by the Philadelphia Convention on September 17, 1787, sets out three distinct branches of national government and provides powers to each that serve as a check on the others. The following sections offer key facts about each branch.
