### Learning Javascript Shelley Powers

Like so many programmers, I held a strong prejudice against JavaScript up until about 2012. To do such an about-face still feels a little disorienting. My prejudice was for the usual reasons: I considered JavaScript a "toy" language (without really learning it properly, and therefore not knowing of what I spoke) that

### Learning Node: Moving to the Server-Side by Shelley Powers ...

Shelley Powers is an American author, web developer and technology architect. She works with and writes about open source, LAMP technologies and web service development, CSS/XHTML design, web graphics and the use of these technologies in the semantic web. For her work as an author and her long-running tech weblog Burningbird, Powers was called "one of the more visible women in technology" by Virginia DeBolt of BlogHer in 2008. She has been an advocate for women in computing. She told the Blogger
