Viktor Schauberger - Living Energy - Becoming Borealis

Viktor Schauberger was a visionary who spent much of his life watching water in it's natural environment, high in the Austrian Alps. He learnt how to harness waters power and to replicate nature's "Living Spring Water" out of tap water through the use of vortex motion and implosion. "Comprehend and Copy Nature" were the words Viktor lived by.

Viktor Schauberger - Vortex Water

Water is always spiraling in nature. According to naturalist, Viktor Schauberger, this spiraling motion energizes the water and gives water its "livingness" properties. When forced to go through straight pipes, water loses this quality and while free of chemicals, is "dead" and void of its life force.
