Modernity And Self Identity Society In The Late Modern Age ...

In modern society individualism is dominant and the development of the self-identity has become the centre of all. Everything is subject to change, and the changes happen much more rapidly than ever before in human history.

Self-Identity in Modernity - Skemman

So far as the self is concerned, the problem of unification concerns protecting and reconstructing the narrative of self-identity in the face of the massive intensional and extensional changes which modernity sets into being. In most pre-modern contexts, the fragmentation of experience was not a prime source of anxiety.

From Anthony Giddens, Modernity and Self-Identity: Self

...

Giddens admits that human knowledge cannot reach so far as to set out a orderly plan of the society. The uncertainty signified by the sphere of the unknown/ unrealizable forms a great challenge to the self identity he mentioned above. Giddens tries to describe the society in high-modernity as a "risk community" and politics of life.

Amazon.com: Customer reviews: Modernity and Self-Identity ...

Modernity referred to a world constructed anew through the active and conscious intervention of actors and the new sense of self that such active intervention and responsibility entailed. In modern society the world is experienced as a human construction, an — 38 —
