Newborn Needs a Dad by Dianne Drake - Goodreads
This is partly a good thing—the emerging mother-baby relationship needs to be supported, and fathers can play an important role by mothering the mother. (Somehow, “fathering the mother” doesn’t have quite the right ring to it.) But a father needs to develop his own connection, which means he needs to get at the baby.

The Only 21 Things Our Newborn Kids ... - Mom and Dad Money
A common theory is that the first three months of a newborn's life is like the fourth trimester. Major development is far from done when a baby is born but we wouldn't be able to give birth to their giant heads if they stayed in the womb any longer (I wouldn't say that they fit really well at 40 weeks either but I'm not going to argue with nature.)
