### 9030 | Tekonsha Proportional Brake Control | Voyager

Does anyone know how to test a brake controller to see if it is working? I have a tekonsha voyager. I have had this controller since my truck was new ('00)and never had a problem. Plugged it in today and no green light. All my lights are working on the trailer. I have power to the controller. I have a good ground on the truck side of the plug.
