THE BUCCANEERS. A major novel of manners, three-fifths completed at the time of Wharton's death in 1937 and published as a fragment in 1938, has now been finished with impressive spirit and skill by Wharton scholar Marion Mainwaring. The novel, grand in scope and ambition, is set in Saratoga, Fifth Avenue, and London during the roaring 1870's—Wharton's golden age.

English settlers occupying Jamaica began to spread the name buccaneers with the meaning of pirates. The name became universally adopted later in 1684 when the first English translation of Alexandre Exquemelin's book The Buccaneers of America was published. Viewed from London, buccaneering was a budget way to wage war on England's rival, Spain.
