Michele Gorman's romantic comedy debut, Single in the City, was a best-seller in the UK, where it was first published by Penguin, but despite being an American author, her books are less well-known in the US. That's about to change... Notting Hill Press just launched Michele's series, The Expat Diaries, in the US on March 25th. We're sharing the new covers and previous reviews of the books (all from our review associate, Kathryn) from this series as a way to celebrate!

### Sex Diaries - The Cut

So much of my expat life in the last two months has been political. I think every single day for the last few months, I've considered scrounging up a few (hundred) quid to fly back to Colorado for a few days and be politically active ahead of the midterm elections. Needless to say, it didn't happen.

### The Expat Diaries, Vol. 13 — Hannah Drake

It is a group less commonly discussed, and one to which I belong: the single, female expat. Though at times being a single, female expat seems very glamorous (and at times it indeed is!) the new found freedom of living and working in a foreign country is not without its own trials and tribulations, especially when you are single.
