Book description. This Handbook charts the growing area of journalism studies, exploring the current state of theory and setting an agenda for future research in an international context. The volume is structured around theoretical and empirical approaches, and covers scholarship on news production and organizations; news content; journalism and society; and journalism in a global context.

The Handbook of Journalism Studies

The book provides an overview of the state of the art of journalism studies. Journalism studies has evolved as a field of inquiry over the better part of a century and a half, passing through a variety of stages. Journalism around the world is battling against increased efforts of political and state authorities to restrict editorial autonomy.

THE HANDBOOK OF JOURNALISM STUDIES

This handbook is not intended as a collection of rules. Beyond the obvious, such as the cardinal sin of plagiarism, the dishonesty of fabrication or the immorality of bribe-taking, journalism is a profession that has to be governed by ethical guiding principles rather than by rigid rules. The former liberate, and lead to better journalism.
