Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

The Help - Official Trailer 2011 (HD) - YouTube

"The Help" is a safe film about a volatile subject. Presenting itself as the story of how African-American maids in the South viewed their employers during Jim Crow days, it is equally the story of how they empowered a young white woman to write a best-seller about them, and how that book transformed the author's mother.
