The House Of God Samuel

The House of God is a satirical novel by Samuel Shem, published in 1978. The novel follows a group of medical interns at a fictionalized version of Beth Israel Hospital over the course of a year in the early 1970s, focusing on the psychological harm and dehumanization caused by their residency training. The book, described by the New York Times as "raunchy, troubling and hilarious", was viewed as scandalous at the time of its publication, but acquired a cult following and ultimately etched its p
