Aleron Kong is one of the best-selling LitRPG books around and there's a good reason for that little fact. This is a book that takes worldbuilding to the next level and engages the reader not only with a tightly-woven story but with characters that all but pop off of the page.

The Land: Founding is the first book in the Chaos Seeds series and I am hooked. I would not call it a "good" book, but I would say it is an extremely fun book (ie my 5 stars). This is my first LitRPG book and first time I have heard this term (Unless Ready Player One counts). The book does a great job at making you feel like you are playing an RPG.
