Memory Book: How to Remember Anything You Want by Tony Buzan

A good memory book includes all of the most important people in the subject's life. Ideally, each of those people should have a place in the book, but omitting one is easily done. Start by creating a list of the special people in your life, and include a memory and photo featuring each one of them. Don't Rely on Just Your Own Photos

The Beginner's Guide to Creating Heartfelt Memory Books

...

The Memory Book is a guide written by Harry Lorayne and Jerry Lucas. Although it looks like a novel, the book is more like a textbook in that to really get the most out of it, one has to do the suggested activities while reading the book. The point of this book is, if not already evident, to help improve one's memory. ...
